SPORTS ROUNDUP:

Congratulations to this week's **Player of the Day: Miniball:** Tayo, Sophia, Kevin, Whole Cheetahs team **Basketball:** Rebecca, Whole Tsunami team **Hockey:** Brendan, Whole Girls Hockey team **Flipperball:** Ella, Jessica, Whole Sea Blacks team **Netball:** Grace, Aisling, Jenna, Hannemieke, Joanne, Jenna, team 1, Team 2, Anrike Inez, Emma B.

Netball: Thank you to all the players and parents who braved the weather last night. It was probably the worst we have had all year and it was heartening to see the players just get on with it and the parents accept it and get behind their daughters. Thanks also to those who filled in for other teams last night. You are stars!

Winter Sports Day:

On Monday we participated in our annual Northern Bays Winter Sports Tournament at Kristin School. Our school was represented by 48 children in five teams-netball, hockey, miniball, rugby and soccer.

We would like to congratulate all the children for the great effort that they put in - both at team and individual levels. We had two sporting codes reach their semi-finals and would like to congratulate the netball team on coming third equal and the rugby team on coming fourth.

We would also like to thank the parents who came along and coached, managed and supported our teams on the day- we really appreciated the time, commitment and enthusiasm you put in to this.

Tomorrow we will have daffodils at school for the children, for a gold coin donation. The money raised from the sale of these daffodils is shared between the Cancer Society and the school. We use our share to purchase sunscreen for the children to use at school. So help us support the Cancer Society and also our children at school.

CAN YOU PLEASE HELP?

We are very short of PMP helpers on a Tuesday afternoon and also every morning. We urgently need help to run this programme for the children. No prior experience is necessary. Mrs Wallbank

PLEASE RETURN YOUR CHOCOLATE MONEY/UNSOLD CHOCOLATES!

Thank you for the wonderful selling that you have been doing on behalf of our school. Congratulations to Room 11 who were the first class to get all their boxes back- iceblocks will be given out at the end of school tomorrow.

However we still have some boxes not yet returned.

Later next week a staff member will be making reminder calls to follow up the return of any outstanding boxes and money.

We would really appreciate you returning your chocolates before this to reduce the number of calls that we need to make.
