PLAYGROUNDS

Both the Junior Playground Stage 2 and the Middle School Playground have been completed. Thanks to everyone who has helped with these and the fundraising that the school community has contributed. Some students have shared their writing about the playground in this newsletter. **The students are really enthusiastic!!**

TORBAY'S GOT TALENT:

Celebrating the personal bests of some of our students...

An Exciting Day for the Middle Syndicate Year Threes

Overnight, in February the Year Three playground was burnt down. It was early Sunday morning when it was destroyed. Most people were upset, especially the Year Three children. The children really did hope that it would get re-built soon. Before it was burnt down, it had a slide, monkey bars, a pole and something to climb on. In May it was rebuilt.

The new playground has everything, two sets of monkey bars and a mini flying fox. The children think it is terrific. The Year Three children like the monkey bars the best. It was finished on the 31st of May, 2010. The children hope that no one comes and burns down the playground.

Torbay Schools New Playground

About three months ago the Middle Syndicate playground was burnt down. In May some builders came to Torbay School to knock down the melted slide and the broken wood. The monkey bars and the tunnel with red bars didn't get burnt down so they left that for the new one.

A few weeks later the new playground was finished. There is a spider web, monkey bars, rings to swing on and safe matting. It would be good if Torbay School could raise some more money to make it bigger.

Jacob (age 7), Rm15

The amazing playground is completed. It had been burnt down but now the children are very happy with their new playground.
