## CAN YOU HELP?

To support the class stalls we are asking all our Torbay School families to donate some items. During the week of **24-28 September** we will be looking to collect the following:

- > **Plants or seedlings** for the plant stall
- > **Non alcoholic drinks** (Single cans, small bottles, pop fizz.) for the Ring-a-Drink stall
- > **Chocolate bars** for the Coin Toss stall (any size chocolate bar or candy treats)
- > **Empty clean jars** sized med to large jam jar (preferably with a lid)

There will be boxes in the **office foyer** set up for collections. Many thanks for your support!

## WHY ARE WE DOING THIS?

At Torbay School the PTA raises money for special projects. This year we are raising money to upgrade and extend an under-used section of garden next to the sandpit; it will become a fun Dinosaur Garden.

We also want everybody in the thriving Torbay and local community to feel a connection to our school. Events like this connect communities in a positive and fun way so please spread the word and get involved in any way that you can. We would love to hear from you!
