

School Bus Information now available to view in AT's Public Information Systems

On August 14, 2016 the tracking of School Buses was switched on in Auckland Transports real time systems. This change means that students will now be able to view School Bus Information in the same way as other Public Transport services.

The following table indicates School Bus information available on Passenger Information Displays (PIDs) at bus stops, on the Real-time Board, Journey Planner on the AT website, and on the Track My Bus App.
